

Cabernet Veneto IGT

Grape Variety: Cabernet

Area of Origin: Veneto, Italy

Denomination: Veneto I.G.T.

Actual alcoholic title: 12 % vol.

Residual Sugar: Dry

Description: Cabernet Sauvignon is one of the world's most valued variety of red grape. In spite of this, the grape variety is relatively young, born from a possible crossing of Cabernet Franc and Sauvignon Blanc during the XVII century in southwestern France.

It pours a strong ruby red colour, with brick-red tinges related to its aging. Intense, refined and full-bodied, this wine has a moderate alcohol content, with a marked personality. The nose is slightly herbaceous, with notes of Parma violets and wisteria.

Food pairings: It goes well with meat-based dishes, in particular with: roast meat, game and veal loin. Perfect with hard and mature cheeses.

Serving Temperature: 13-15°C

Available in size 0,75 L
